A Different Approach to Teaching and Learning

PRESCHOOL
through
8TH GRADE

WHERE STUDENTS LOVE TO LEARN

At Covenant School Learning is:

- Active—Students are engaged
- Public—Students are analyzing, forming opinions and presenting
- Meaningful—Students apply skills to solve real-world issues and problems
- Challenging—Students are encouraged and challenged toward excellence
- Collaborative—Courage, integrity, humility and respect permeate the culture

At Covenant School Teachers are:

- Building confidence
- Developing leaders
- Holding students to high standards
- Believing in what students can become

Small class sizes result in individualized and differentiated learning
